

## The universal toolkit: TOOL BOX V07

TOOL BOX V07 is the successor to the previous Tool Box universal. It contains a multitude of useful tools for all those fiddly engine jobs that always take time, particularly when it comes to testing, setting and locking the correct engine timings. The all-purpose go-to for day-to-day workshop operations.

### Contents

- > Various locking tools
- > Sprocket locking tool
- > Belt pulley puller
- > Various adapter and locking pins
- > Fastening elements
- > Various flywheels

### Benefits

- > High-quality tools for professional use
- > Made of tough, premium-quality steel
- > Exclusive sets – only available from Continental
- > Organized storage in a robust case
- > 5-year guarantee:
